

Two Top-10 finished for Fame More in The Ladies Asian Golf Tour

England Ladies European Tour Golfer, Fame More has delighted fans and family with her performances in The Macau Open (24 - 26 Jan) and the Hong Kong Open in China, which finished on 2nd February. Her two top ten finishes of tied 7th and 5th respectively, have placed her 8th in the Ladies Asian Tour Order of Merit.

Her first tournament, which was the Macau Open at the Macau Golf and Country Club, proved an outstanding start for Fame, **with a tied 7th place finish, only 4 shots behind the lead**, giving her a final score of 8 over par, despite unusually high winds on an extremely challenging course. Her preceding participation in the Pro-Am event allowed her to familiarise herself with the course and her 1st place finish proved it to be a fantastic start to the week!

Sponsors Chaka Travel followed Fame's progress throughout and were extremely pleased with her accomplishment, whilst management team Champions (UK) Plc, who were in constant contact with Fame, were especially thrilled with her victory in the Pro-Am event.

After this **top-ten finish** in only her second tournament of the season, Chesterfield-based Fame then moved on to play in the Hong Kong Ladies Masters at Discovery Bay Golf Club. After a solid performance in her first 2 rounds, Fame shot a total of **6 birdies in the final 7 holes** of the final day's play- **an outstanding finish which placed her in fantastic 5th place on the leader board**. Fame was personally especially pleased with this, as only the second time in her career that she has shot 6 birdies on the back 9 holes. She tells Champions (UK) Plc that she is looking forward to celebrations this evening.

These excellent performances see Fame placed 8th **on the Ladies Asian Golf Tour Order of Merit**, the **highest placed British player** in the Tournament.

Naturally, sponsors and management alike are delighted and Fame herself is thrilled with her continuing success. She has thoroughly enjoyed playing with her **new Mizuno clubs** which have proved perfect for Fame to improve on an already **impressive start to the 2007 season, and she is looking forward to working with Mizuno as the season continues.** She is also extremely grateful for **support from Nexus, VCBet.com, Chaka Travel and Heritage Golf Club and Spa,** which has been invaluable. The team at **Champions (UK) Plc** is continuing daily contact with Fame whilst dealing with **the television and press interest** that her ongoing success has aroused. They are also enjoying her updates of anecdotal tales from the course!
